*First impressions are important. Newcomers and visitors to 'Southern almost always come away with a very good first impression of the Hilltop. Friendly, warm, and helpful, the students and faculty alike are known for their smiles and hello's that mean so much. There's an atmosphere of closeness and friendship which is often sought after, but seldom realized. People at 'Southern always seem to find time to answer a question, give directions, help out wherever and however they can, and, oh yes, just have a good time.*

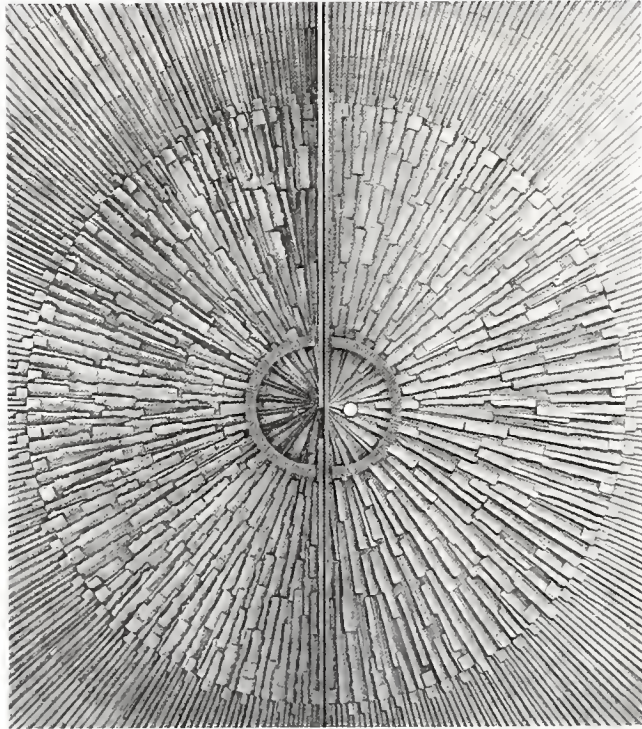

*The dedication of a new learning center and library represents the single most significant event that can happen in the life of a college or university. It represents a dedication by the entire college community to the ideals of a strong academic program—one which respects the tradition of liberal learning; which adheres to the value of private higher education, and which acknowledges the value of a church-related educational program. A learning resource center or a library is the very heart and soul of the learning process. Here at Birmingham-Southern College, a strong academic program has been our tradition; it must be our future.*

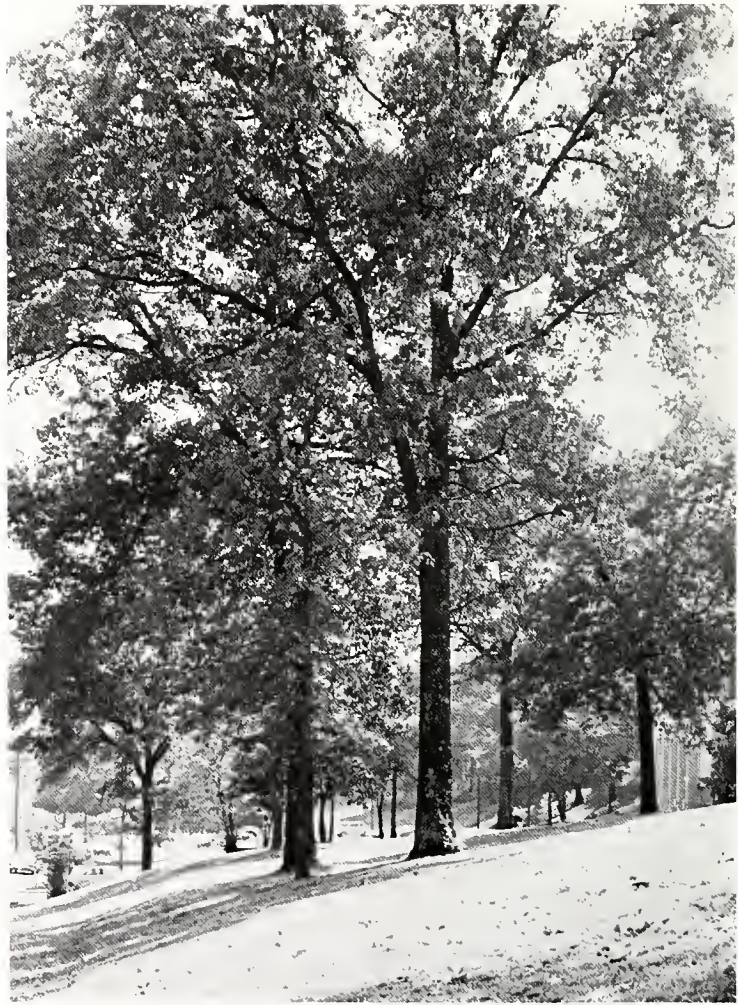

*New faces, new places—new things are going on at BSC. The college is a virtual showcase of progress and innovation with many concrete, visible changes and additions to the campus itself, as well as a pervading feeling of unity and enthusiasm among everyone. From the new roadways to the new library and plaza; from the new classes added to the curriculum to the new faces joining the faculty and staff; from the new day students to the many new night students; from the renovations in the dorms to the re-landscaping of the Owen Quadrangle—these things and many more exemplify a turning point in the life of Birmingham-Southern College.*

*Something to please everyone—that's what Birmingham-Southern College offers. The campus itself is a delightful mixture of the old and the new, the rustic and the modern, the fast-paced and the slower-paced. It's a place to be alone and a place to be with friends. It's a place to enjoy nature and also to admire the wonders of modern technology. There is something unique about Southern's campus. That's what makes it so beautiful.*

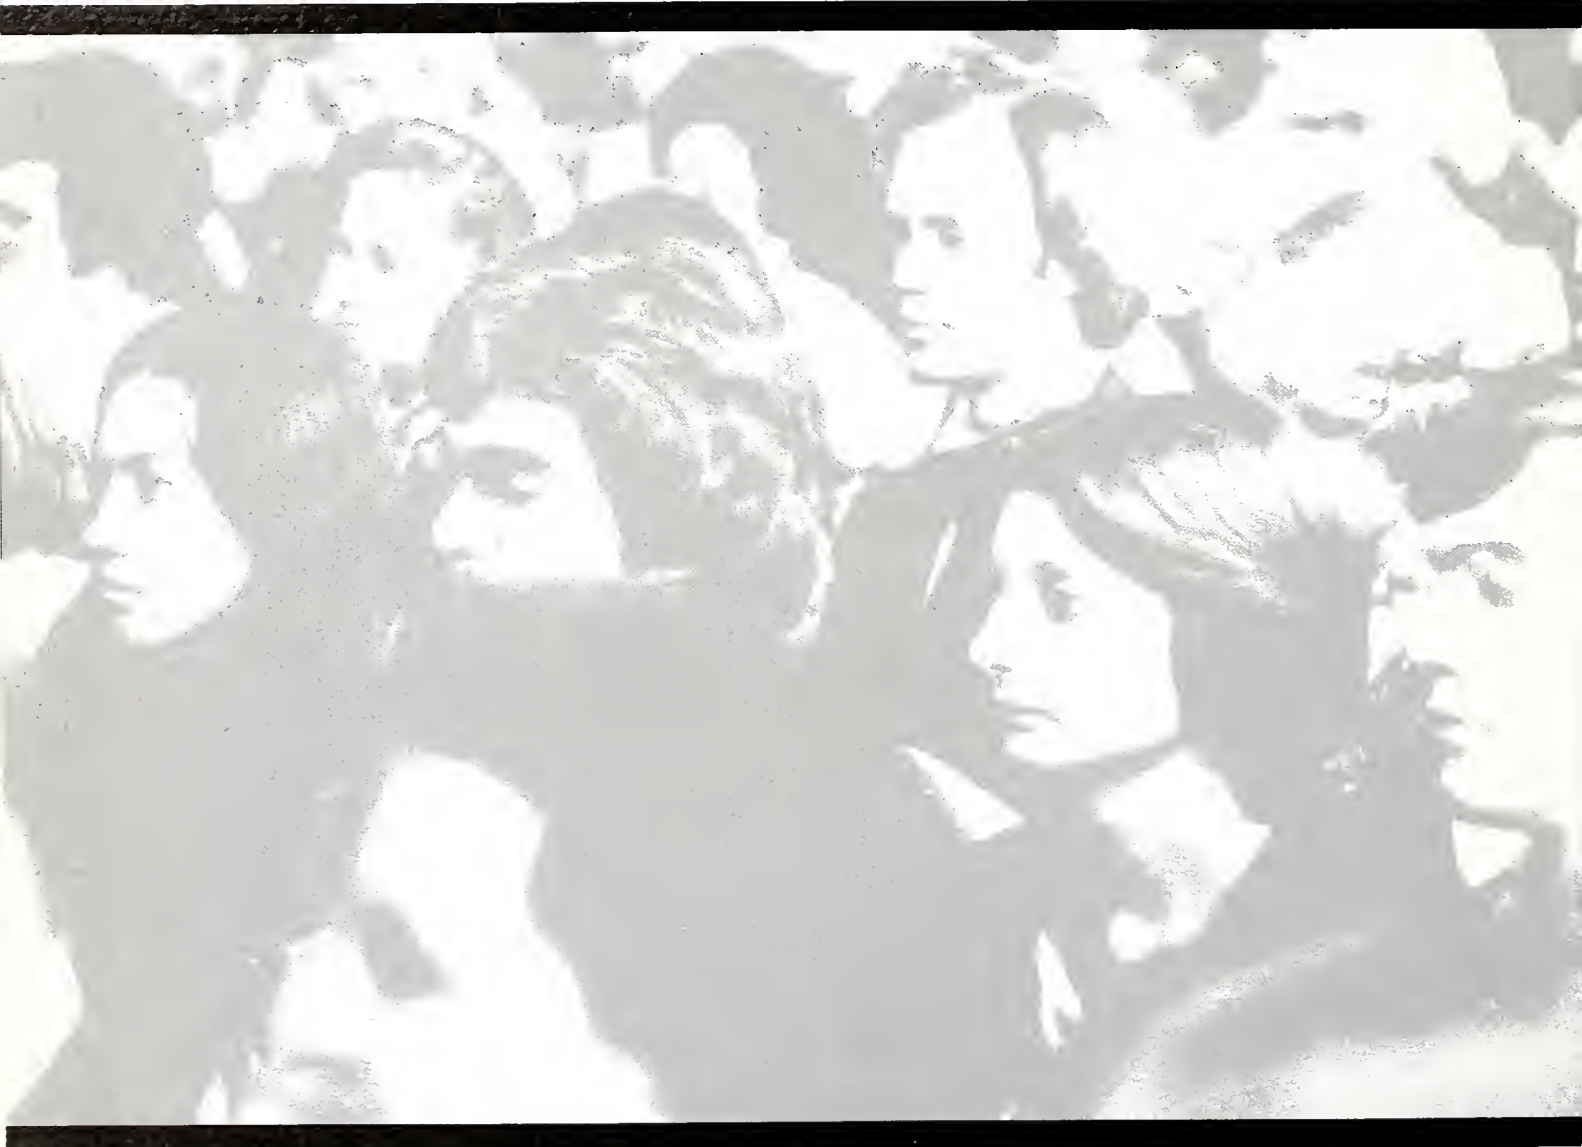

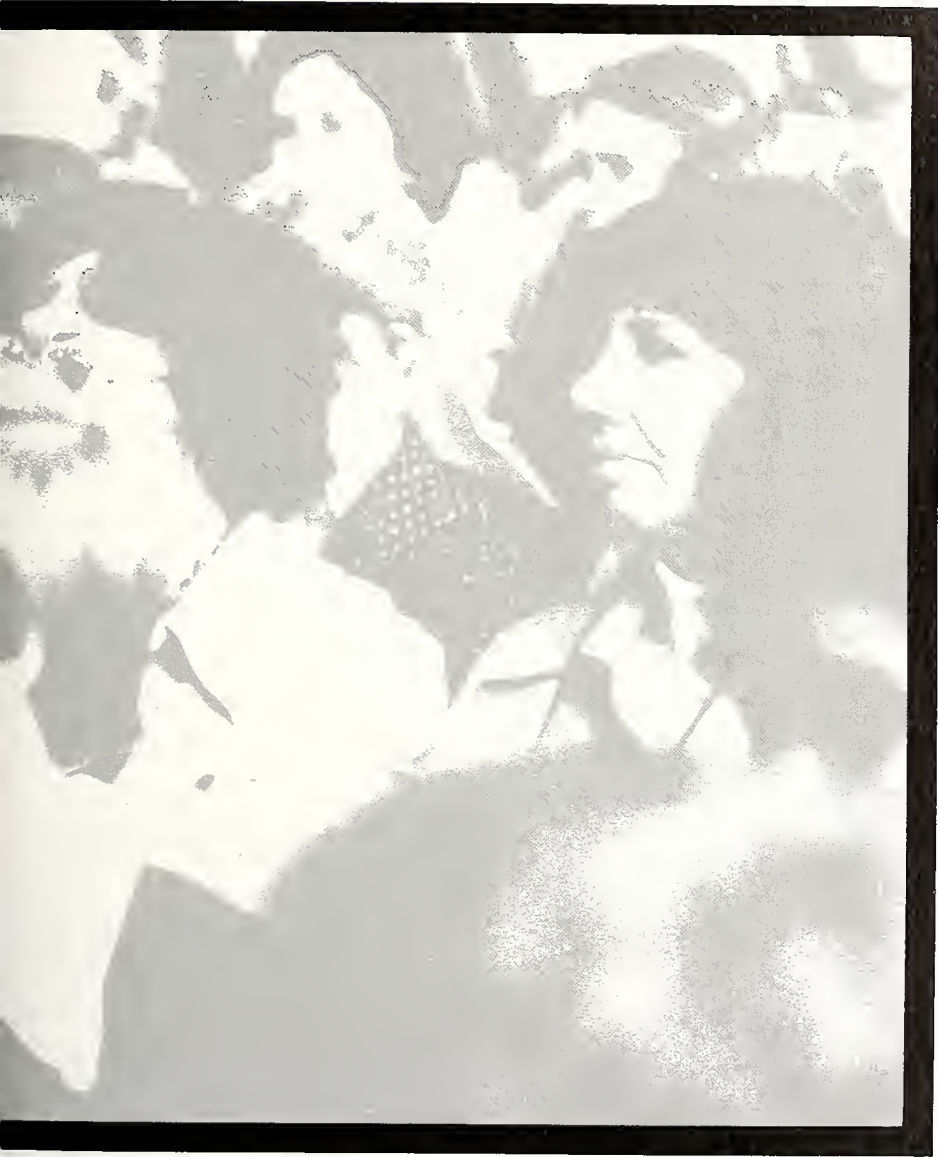

*Art, of any form, is generally a matter of personal taste. And personal tastes can be readily and freely expressed at 'Southern. Whether it be in the form of music, dance, art or drama, those who participate become totally and wholly involved in their individual endeavours. These artists not only find personal satisfaction in performing and creating, they also give the entire college community the benefits of their art.*

*In the Spring of 1977, BSC goes against such schools as Albion College, Auburn University, David Lipscomb College, Huntingdon College, Kalamazoo College, Livingston State University, Mercer University, Mississippi State University, Shorter College, Southern Benedictine, University of Alabama, and University of Louisville. The team has also been invited to play in the Montevallo Classic, with University of Montevallo, Illinois Benedictine, and Northern Kentucky State University.*

*This season the Panthers play four games in the new Birmingham-Jefferson County Coliseum. Other highlights of the season are the renewal of the Samford-BSC rivalry and the second annual Magic City Classic.*

# Student Life

*Who can deny that there are times when students do indeed lead a dog's life? Eating, sleeping, just hanging around. But it's when we're just hanging around that we can collect our thoughts, get things straightened out in our heads. We all need the chance to relax and do nothing. "Sometimes I sits and thinks and sometimes I just sits."*

*New experiences in the learning process are now available to BSC students through the Internship Program. Dr. Don Casella, director of the new Contract Learning Center, is responsible for placing students in the various internships both on and off campus.*

*The purpose of this new program is to provide students with a valid opportunity to gain insight into the "real world." Administration, Business, Industry, Performing and Creative Arts, Education, Government, Medicine, Law and Social Service are some of the areas which the Internship Program encompasses. These out-of-class learning experiences allow students more freedom than they would normally have in the classroom situation. It also gives them the chance to better understand themselves and to examine their academic and career goals.*

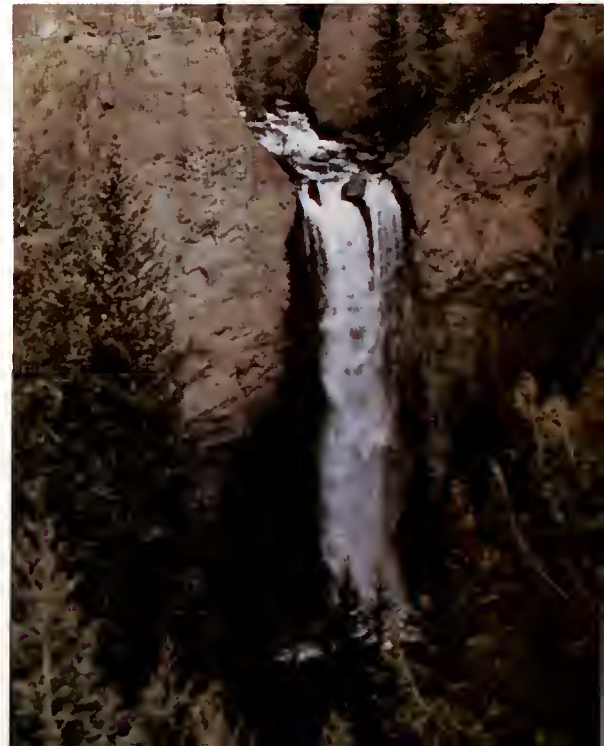

*Birmingham-Southern offers students another means to learn more about those subjects which particularly interest them—the Interim Term. Interim is also the chance for students to experiment with and discover new things, new ideas, and, best of all, new places. This summer, two groups from 'Southern did just that.*

*Dr. John Thurmond, Chairman of the Geology Department, led an expedition of about a dozen students to the American Northwest. They explored the mountains, woods and wilds of Colorado, Washington, California, Wyoming and other surrounding states.*

*Meanwhile, Dr. Henry Randall, History Department Chairman, and his merry band of BSC students and Summer Scholars visited such historic cities in England as London, Cambridge, York, and Chester, and also Conway and Caernarvon in Wales.*

*The subjects were different and so were the places, and the faces. But the effect was the same—a deep appreciation for the greatness and beauty of the world in which we live.*

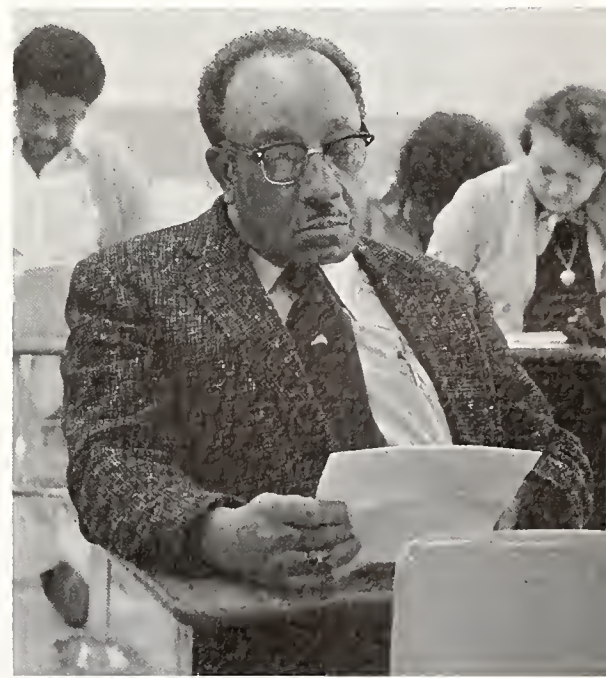

*Commuters and residents, day students and night student, married students and unmarried students. All kinds of people, each adding his or her own personal touch to the entire college community.*

*The problems of the commuters are different from the residents: traffic jams vs. lost meal tickets; finding a babysitter vs. finding a date. Likewise, the problems of the day students are different from those of the night students: getting no letters from home vs. getting too many bills; two or three hours of Work-Study vs. eight hours of a full-time job.*

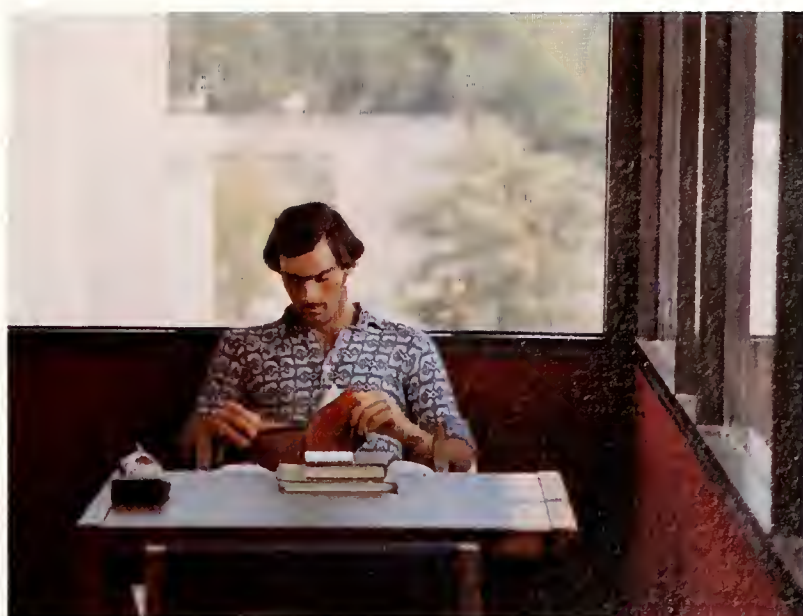

*Hopefully these differences will not remain quite so distinct so that there will no longer be day and night students, commuting and resident students, but just students.*

*Students are here at 'Southern to learn, whether it be in the classroom, the lab, the library, the dorm, or somewhere else. Most people here take their studies seriously. It's not uncommon to find the library busy until midnight every night during the week. Nor is it uncommon to find dorm lights burning until the wee hours. The long hours are evident by the stifled yawns in the middle of class, as well as in the middle of the night. Often bleary-eyed and droopy-tailed, but nonetheless hanging in there, the students at BSC know what the word "study" means.*

*"Hey, let's go to the Tide!" "But I have to study. Well, maybe for just a little while . . ." Pitchers of beer, empty mugs and brimming ones on the tables . . . "Red Necks, White Socks, and Blue Ribbon Beer" on the jukebox . . . grilled cheese sandwiches, barbecue, and Specials on the grill . . . the Tide 'n' Tiger.*

*But that's not to exclude the "houses", fraternity, that is. Probably the most popular havens for "recreation" next to the Tide.*

*Have you ever noticed how a beer calls for a cigarette? You don't happen to have light, do you?*

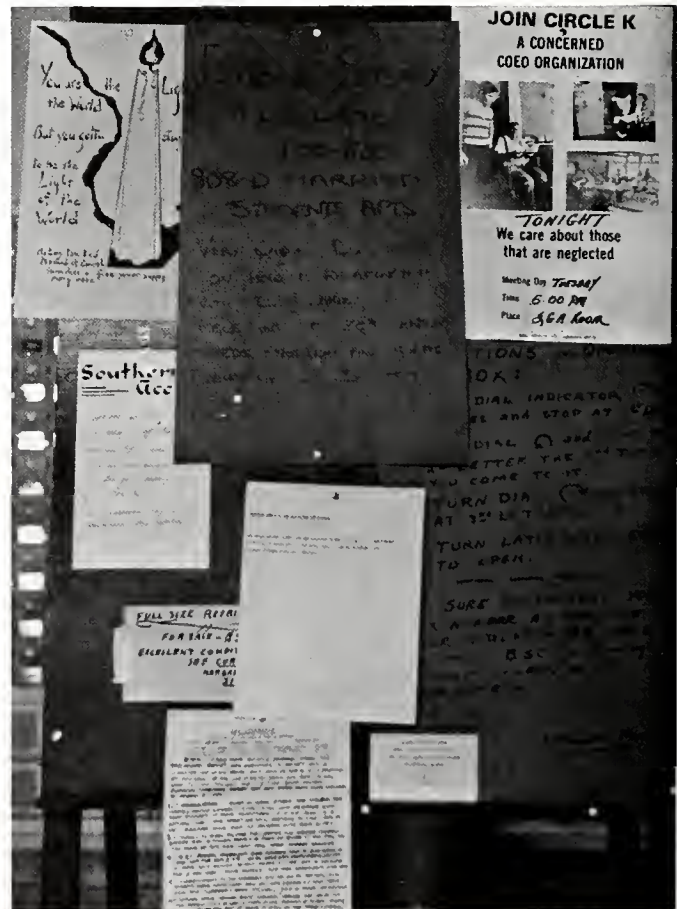

*Takin' it easy, or Good Times 101. 'Southern students relax in an assortment of ways. From playing in the fountain to throwing a Frisbee on the dorm quad to eyeing the goodies at Marsh's, getting away from it all is as important to students here as going to classes and hitting the books. Everyone gets out at some time or another, and when they do—anything goes.*

*If there is one place that is absolutely vital to the students of Birmingham-Southern, it is Snavely Student Center. That one building houses everything that we hold sacred—the cafeteria, the post office and the bookstore. Of course, there's the Student Affairs Office, whose staff is famous for getting us into or out of one.*

*That special time of day without which we would surely go mad is Break. How can one half-hour period mean so much? It can't be defined; it's something that must be experienced.*

*We are the student body at Birmingham-Southern College. Over 1,000 students, over 1,000 individuals. Each one of us is free to be ourselves, to pursue those things which interest us, and to express ourselves in whatever way we choose.*

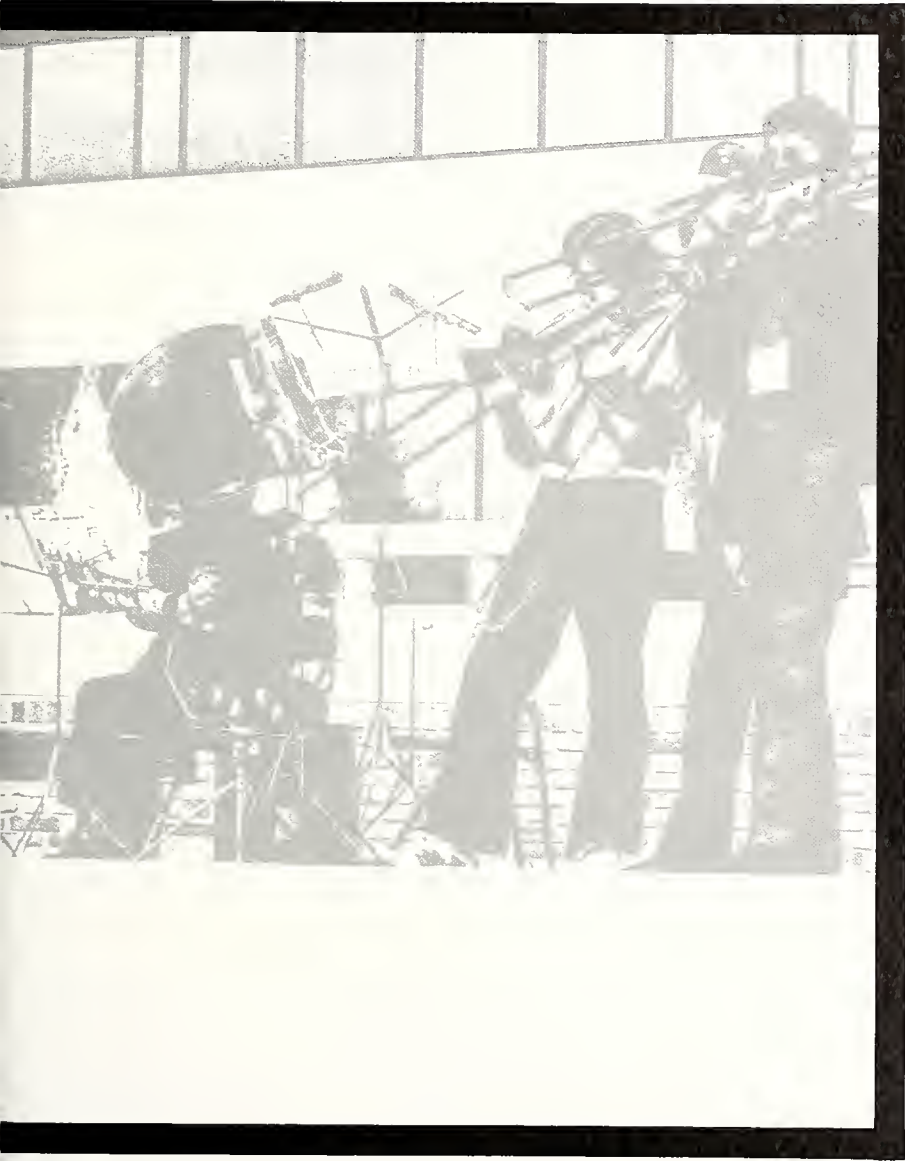

*We are diversified, certainly; for we are individuals. And what brings us together is Birmingham-Southern College itself—the place where we learn and grow and experience.*

*Some of us are studious, some are not; some of us are creative, some are not; some of us are good-looking, some are not. But the one thing we do have in common is knowing the importance of being the very best we can be.*

# Greeks

1976 was the big year for America. The United States turned 200 and so did the Greek system. It was a very good year for Greeks, especially here at 'Southern.

Oh, sure, Greeks have had their ups and downs. There have been some mighty lean years for them. Nobody knows that any better than the Pike, DZ, and KA chapters who folded at 'Southern during the Great Greek Depression.

Those loyal fraternity and sorority members who remained were probably disappointed and at least a little discouraged. But they gave it the "Old College Try", and now they're back on their feet again.

In fact, there's a very real possibility that a Pi Kappa Alpha chapter will be re-established here. Also, to enhance inter-sorority relationships, the KA House was reopened and renamed the Panhellenic House, giving Greek women an alternative to dorm living. In general, a Greek revival hit 'Southern this year.

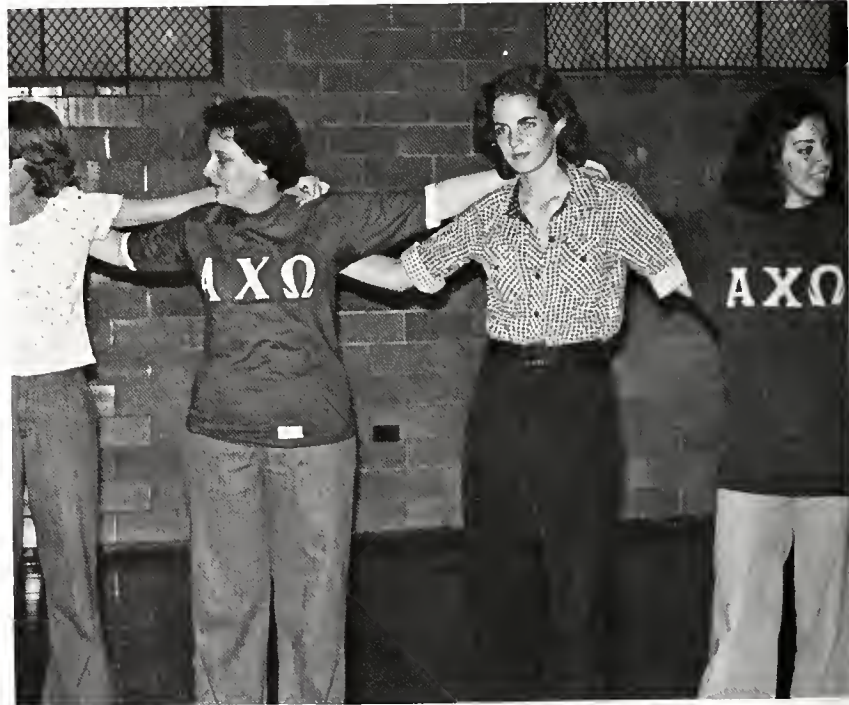

Rumor had it a few years ago that fraternities and sororities were all washed up. But it looks like they were just taking a quick shower. Ah, yes—the Greek life is the good life.

# Alpha Chi Omega

*Mention Alpha Chi Omega, and their annual Casino Party instantly comes to mind. These lovely ladies do more than just party, though. They have five national philanthropies, among them the Cystic Fibrosis Foundation. They do volunteer work at the Children's Hospital, and have a babysitting pool for faculty children. Great sportswomen as well, Alpha Chi's won last year's Overall Trophy for intramurals. Sporting and sparkling—that's Alpha Chi.*

*Alpha Chi Omega was founded on October 15, 1885 at DePauw University in Greencastle, Indiana. The Alpha Omega chapter was founded at BSC on April 9, 1926.*

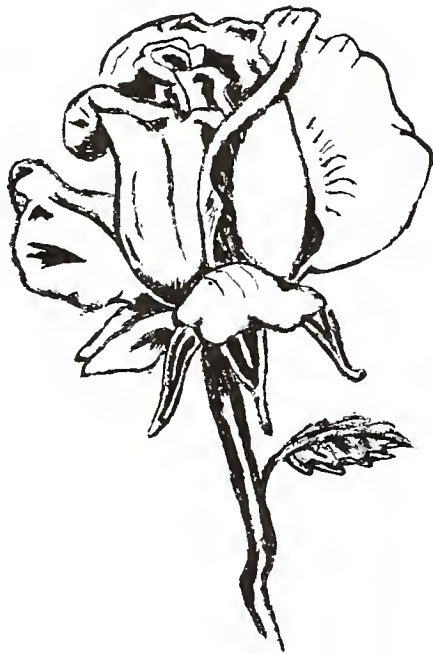

*Members include: Sharon Abbott; Ginny Alderson; Martha Baird; Margaret Baker; Chris Benich; Pam Bonner; Betty Chatham; Cindy Cox; Marty Croft; Amanda Glaze; Chris Griffith; Cindy Hicks; Susan Jefferson; Libby Lauderdale; Norma Jean Mason; Denise Mays; Katherine Merrill; Jackie Murphy; Lisa Nordstrum; Susie Otts; Michele Parr; Rachel Rowe; Catherine Roy; Paula Shipper; Martha Speer; Chris Stocks; Aglecia Taylor; Lisa Ware; Laurie Whitehurst; Lucy Williams; Shelby Wirt; Kathy Young.*

*Officers: President—Michele Parr; Vice-Presidents—Chris Griffith, Laurie Whitehurst, and Rachel Rowe; Secretary—Paula Shipper; Treasurer—Martha Baird; Rush Chairman—Lisa Ware.*

## Alpha Omicron Pi

*Roses, roses and more roses—and by any other name than AOPi they certainly would not smell as sweet. The Annual Rose Ball is definitely the social event of the season, but these American beauties make any of their gatherings a garden of delights. The Annual Mr. Hilltopper Show raises money for the Arthritis Foundation, and the sorority sponsors a child through the Christian Children's Fund. They're altruistic, yes, amiable, and aristocratic. In a word—dazzling.*

*Alpha Omicron Pi was founded in 1897 at Barnard College, Columbia University, New York. The Tau Delta Chapter of BSC was founded on May 23, 1925.*

*Members include: Julie Allen; Amanda Bearse; Liz Bennett; Kim Blackmon; Anamaria Bruno; Beth Bryant; Cathy Christenberry; Angela Comfort; Debby Dowell; Shawn Freeman; Donna Garrett; Dina Gillespy; Allison Haley; Ruth Hanner; Lee Hart; Carrie Hertz; Susan Hockery; April Johnson; Sandra Johnson; Joan Kromer; Elizabeth Maloof; Rosalinde North; Gena Perkins; Nancy Porch; Marylee Ransom; Quenette Shehane; Sonya Shehane; Eddie Sherer; Barbara Smith; Barbara Standridge; Jeannie Wade; Charlotte Williams; Lynne Wright.*

*Officers: President—Shawn Freeman; Vice-President—Sandra Johnson; Secretary—Jeannie Wade; Treasurer—Nancy Porch; Rush Chairman—Ruth Hanner.*

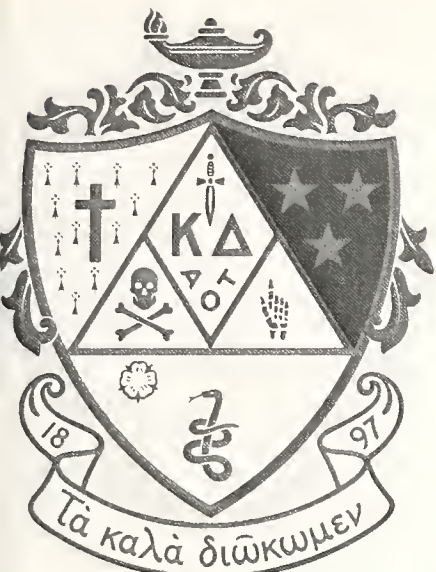

## Kappa Delta

*Accomplished is the only word for KD's. They sell Christmas Seals for the Crippled Children's Hospital in Richmond, tutor children in the afternoon school program at McCoy Methodist Church, and have had the highest scholastic average on campus for the past two years. They were quite obviously raised right, and every November they host a Mother-Daughter banquet just to show they haven't forgotten. Always smiling and always sophisticated. Devastating.*

*Kappa Delta Sorority was founded at Longwood College in Farmville, Virginia on October 23, 1897. The Alpha Epsilon Chapter of BSC was founded in 1930.*

*Members include: Kathy Akin; Cam Brunschwylar; Jenny Burtleson; Danzey Burnham; Claire Caldwell; Kim Clayton; Lisa Crawford; Pam Felkins; Merrie Forrest; Marlea Foster; Meg Goodson; Laurie Howell; Ann Hughes; Susan Johnson; Marcia Langford; Amy Livingston; Debbie May; Joyce Montgomery; Laura Moore; Marjorie Moore; Nancy Mostellar; Marti Phippen; Audrey Powe; Kathy Smith; Julie Spangler; Teresa Tanner; Dawn Thompson; Mary Jane Wells; Jo Wise; Lee Wright; Martha Wright.*

*Officers: President—Laurie Howell; Vice-President—Dawn Thompson; Secretary—Danzey Burnham; Treasurer—Lisa Crawford; Membership Chairman—Amy Livingston.*

## Pi Beta Phi

*Members include: Melanie Belew; Judy Bidlingmayer; Debbie Cameron; Susan Carnes; Martha Clifford; Pat Dannelly; Kelly Gordon; Melissa Haensch; Vanessa Hayden; Ann Hill; Conni Hobbs; Maribeth Ivy; Johnnie Kazy; Sue Keith; Mindy Marsh; Louise Nixon; Olynn Ohrtmann; Virginia Perkins; Kathy Pierce; Nancy Pugh; Beth Pulliam; Debbie Rasberry; Fran Real; Denise Richmond; Mary Skipper; Cathy Smallwood; Cheri Wheat; Mellodie Wilson.*

*Officers: President—Denise Richmond; Vice-Presidents—Virginia Perkins, Beth Pulliam, and Mindy Marsh; Treasurer—Fran Real; Secretary—Olynn Ohrtmann; Panhellenic Representative—Ann Hill.*

*Everyone knows that Pi Phi's are angels—they not only treat faculty children to a Halloween party each year, but they also sing Christmas carols at the Children's Hospital annually. Tearing up to Gatlinburg in the fall, a Formal in February, a Founder's Day celebration, and a Tea for parents are all part of the Pi Phi's luminous social calendar. Always ready for fun, these dolls are especially gorgeous and gifted.*

### Pi Beta Phi

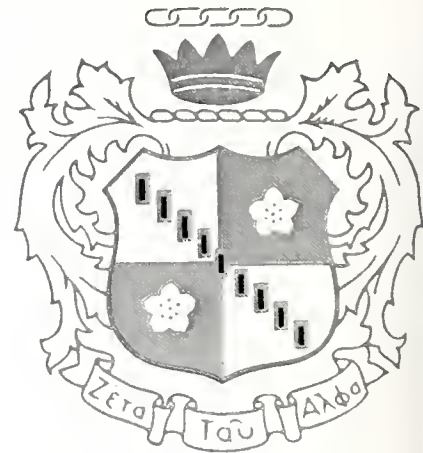

*Pi Beta Phi Sorority was founded at Monmouth College, Monmouth, Illinois April 28, 1867. The Alabama Alpha chapter of BSC was begun on October 7, 1927.*

## Zeta Tau Alpha

*Members include: Leigh Anchors; Jayne Bailey; Sonya Billingsley; Kathy Blackerby; Carol Burr; Alice Callahan; Sabrina Cattrett; Denise Clegg; Julie Coleman; Nancy Cooley; Pat Cowen; Nancy Crocker; Paula Dawson; Sandy Dean; Terri Dew; Becky Finch; Rebecca Fleming; Kathy Jones; Jan Lawrence; Lisa McDaniel; Mary Puckett; Lynn Roberts; Jeannie Robinson; Vickie Rosser; Sheila Smith; Sheryl Speed; Leila Tarpley; Debbie Weir; Delle Wilson.*

*Officers: President—Sonya Billingsley; Vice-President—Sheila Smith; Secretary—Nancy Cooley; Treasurer—Paula Dawson; Membership Chairman—Debbie Weir.*

*Definitely dashing, but then what else could you expect from the Zeta's? Every year, these girls put those luscious legs to work in a Walk-A-Thon for the National Association for Retarded Citizens. They're dancers, singers, actresses and artists. Lovely in crinolines, their Old South Ball promises to become the most eagerly anticipated annual event yet. Cultured, cultivated and celebrated—heady, isn't it?*

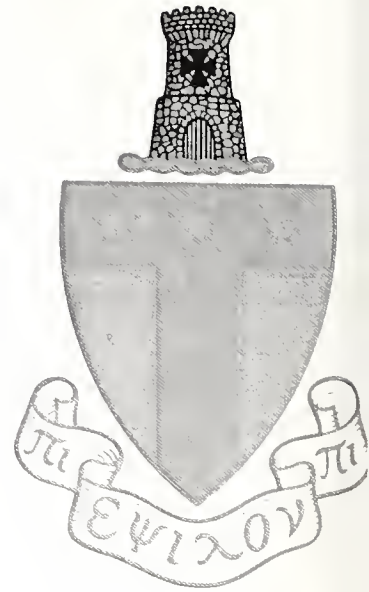

*Originally founded at Longwood College, Farmville, Virginia in 1898, the Alpha Nu Chapter of Zeta Tau Alpha was founded on BSC's campus on October 7, 1922.*

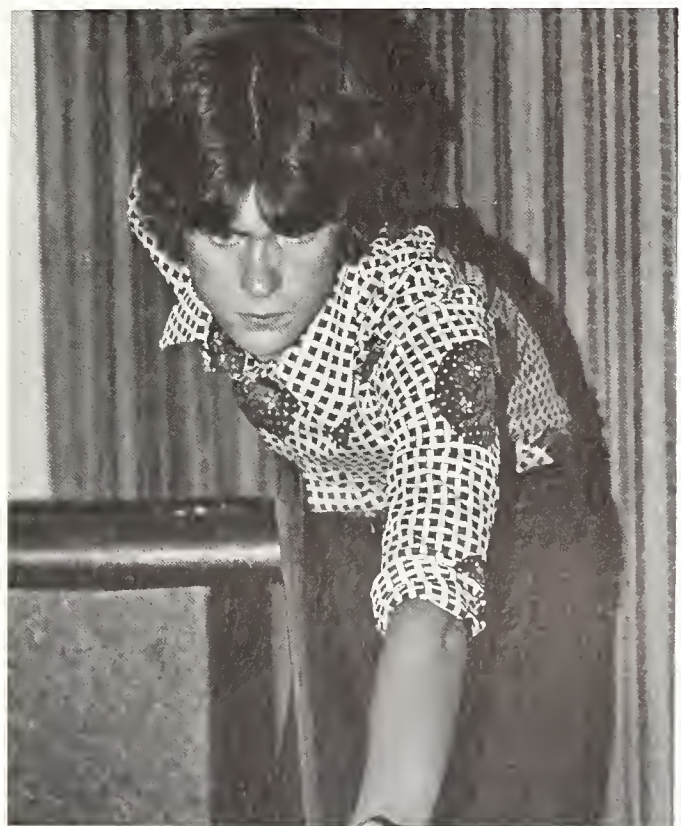

## Alpha Tau Omega

*Members include: Harry Ackerson; Joe Bailey; Joel Bailey; Roger Barnes; David Basshardt; Greg Black; Skip Brogden; Hal Bumbalough; John Carter; Larry Crowson; Bruce Davis; Jesse Ezzell; Charlie Gerchman; Ken Grady; Ronnie Hamilton; Tim Harness; Jeff Harper; Bill Haynes; Scooter Haywood; Don Heflin; Jamie Hinson; David Hollaway; Ramsey Lane; Tommy Little; David Middleton; Mike Middleton; David Smith; Billy Viall; Phil Whitehead; David Whitley; Butch Williams; John Wilson.*

*Officers: President—Bruce Davis; Vice-President—Ramsey Lane; Secretary—Scooter Haywood; Treasurer—Butch Williams; Historian—David Hollaway.*

Alpha Tau Omega Fraternity was founded in 1865 at Virginia Military Institute in Richmond, Virginia. The Beta Beta Chapter of Birmingham-Southern was founded in 1885.

ATO's rally for the Vike every autumn and, as a number of campus lovelies could tell you, they also ravish for it. Actually it's all part of the ATO's very busy year, for they find time to hold pledge parties, the Winter Formal, a Luau, a summer band party, and help with the Special Olympics in Talladega. ATO's are smart (all of their 1976 seniors are in graduate school), committed (they have won the Annual Red Cross Blood Drive eight out of nine times), and obviously good-looking. Ravishing? You bet!

## Lambda Chi Alpha

*Members include: Ward Berg; Tom Brasher; Sam Burlison; John Coker; Houston Gilbreath; Ken Holman; Billy Lopez; Kenny Love; Mike Maxwell; Steve McGahee; Matt Pearson; Scott Regen; Rick Santos; Mike Spivey; Gerald Thompson; Rick Umstead; Brad Walker; Talmadge Walker; David Wood.*

*Officers: President—Billy Lopez; Vice-President—David Wood; Secretary—Tom Brasher; Treasurer—Gerald Thompson; Rush Chairman—Kenny Love.*

*Ever wonder what the Lambda Chi's do with the sorority presidents they kidnap? Put them to work as ladies of the night, obviously. Actually it's the little sisters who put on a dazzling display of their wares at the Annual Ladies of the Night Party, and the sorority presidents are merely held for a ransom (so we're told) which goes to charity. One would think that the Lambda Chi's are the most sinful frat on campus—they also hold an annual Hades Party—but once in a while they do nice things like hunt Easter eggs and have Halloween parties. Seems like they're always having a good time.*

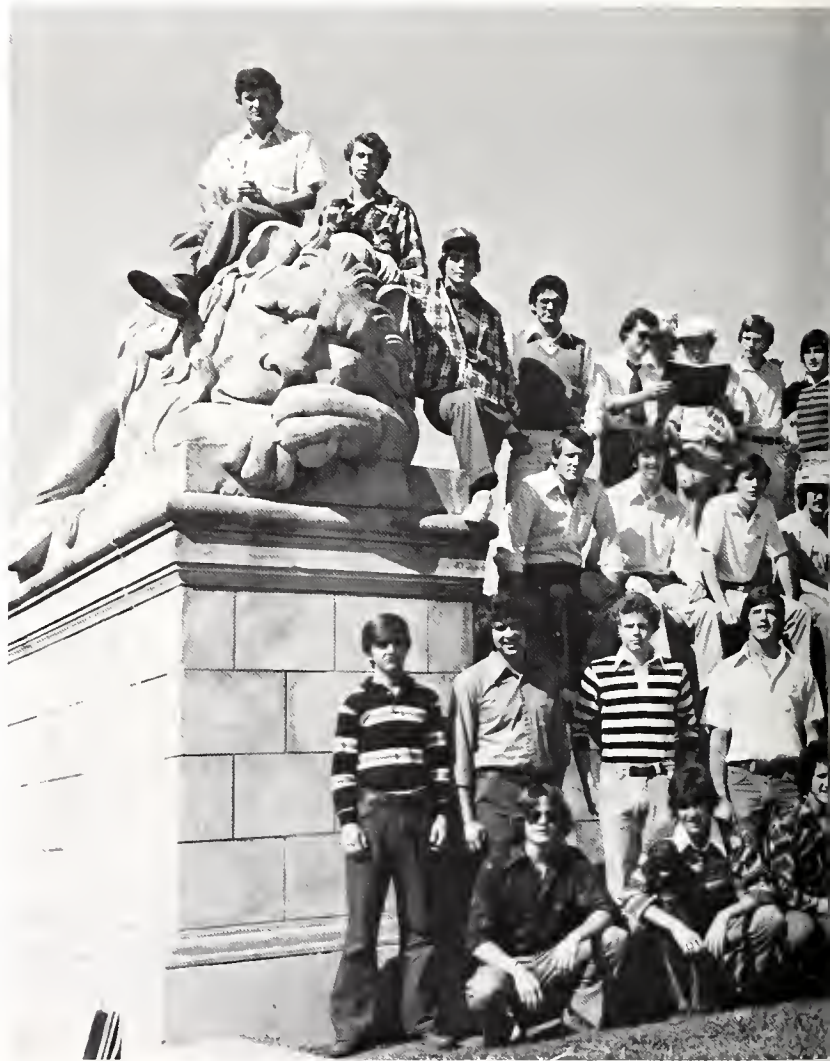

*Lambda Chi Alpha had its beginning at Boston University on November 2, 1909. The Theta Mu Zeta chapter came to BSC in 1939.*

## Sigma Alpha Epsilon

*As anyone who has been through rush can tell you, the SAE's know how to throw a party; and if you've ever been to watch intramurals, you know why the Sig's remain undefeated champions. There is verve in everything they do. The SAE social calendar is full with band parties, cookouts, house parties and their formal. They also sponsor a foster child and hold an annual Christmas party for underprivileged children. The SAE's have it, folks—that touch of class.*

*1856 was the year in which Sigma Alpha Epsilon was founded on the campus of the University of Alabama. At BSC, the Alabama Iota Chapter was founded on November 23, 1878.*

*Members include: Don Abele; Steve Bass; Tim Berg; Lev Bragg; Buddy Bunn; Hal Cain; Jud Chandler; Steve Davis; Bill Dowell; Joey Elmore; Tim Goggins; Robert Haraway; Steve Hendricks; Danny Hill; Dan Hite; Eddie Holden; Steve Howard; Richard Hunter; Andrew Jackson; Carey Jackson; Rick Jackson; Steve Jackson; Reeves Johnson; Mike Kilgore; Rick Letson; Lucian Lott; Peck Mallory; Joel Martin; Jay Mashburn; John McCormick; Jim McCray; Richard Montgomery; Steve Palmer; Lee Pelfrey; Dick Reddick; Tom Roper; Barry Savage; Tom Sawyer; Richard Shamblin; Bo Smiley; Carl Smyly; Marc Smith; Weymon Snuggs; John Spain; Larry Striplin; Gary Talbert; George Thagard; Johnny Walker; Jack Webb; Johnny West; Greg Ziemann.*

*Officers: President—Steve Bass; Vice-President—Peck Mallory; Recorder—Andrew Jackson; Treasurer—Rick Letson; Rush Chairman—Steve Davis.*

## Theta Chi

*Getting high for The Fly is only one of the ways Theta Chi's find to liven up their social season. There is something going on for the Ox-men almost all the time with the Pledge Party, the Red and White Formal, winter and spring House Parties and an annual Christmas Party for UNICEF. Theta Chi's obviously enjoy playing hard—they have won the Greek Games for the past six years.*

*Theta Chi Fraternity was founded at Norwich University in Vermont on April 10, 1856. The Beta Xi Chapter of BSC was founded on May 23, 1942.*

*Members include: Steve Benefield; Henry Breland; Alex Burke; Ben Burkett; Phil Craft; Mark Crumpton; Jim Day; Gerald Davis; Mike deJanes; Dan Drennen; Mike Edwards; Masoud Faridi; Lee Farmer; Tony Fay; Mike Flatt; Jerry Griffies; Jeff Grimes; Bur Harris; Mike Heckman; Jess Holt; Graham Howorth; Scott Jay; John Jolley; Randy Jones; Tim Jordan; Tommy King; Eugene Lammers; Dean Magourias; Jim McLaughlin; Randy Minnehan; Philip Moore; Don Neel; Jim O'Quinn; David Peck; Rusty Peters; Tom Porter; Jeff Proper; Don Pritchett; Chris Randolph; Steve Real; Andy Robins; Ken Schuler; Mike Smith; Tim Stewart; Roger Thompson; Stuart Tieszen; Terry Ware; Wallace Wells; John Weston; David Wilson.*

Central Bank's Campus Plan makes you feel like you're made of money even if you're busy earning a degree instead of a paycheck.

You get Campus Plan checking with overdraft protection. So you can write a check for more than you have in your account because you'll have a line of credit of at least

\$100. Your parents can help you get Master Charge or BankAmericard. Just in case you ever need even more money in a hurry. Plus, they can even apply for a loan if you have a tuition bill, or for that matter, any other major school expense coming up.

There's an easy way your parents can transfer money

from their Central office to yours. You'll have a college representative in your Central office to answer all your questions about banking.

And as if that isn't enough, Central will be adding even more services shortly.

But the best part of all is that you can get everything the Campus Plan has to offer for only \$1.50 a month.

So stop by your nearest Central Bank office and ask about it.

Why can't you find a package like Central's Campus Plan at most other banks?

Maybe for them, it's too much like work.

*Being editor of a yearbook is not always pleasant, though it does have its brighter moments. The late doughnut breaks, the wee morning hour giggles and understanding professors make the job at times enjoyable.*

*Putting a yearbook together is difficult. It really requires all skills, such as knowing how to take pictures, develop them, write copy, type, as well as all the other yearbook responsibilities. Since I lack many of those skills myself, I am very grateful to several people who have been there when most needed—Greg Barnard, Mellodie Wilson, and most of all, George Kassouf. Having to frantically leave for Europe a day early, the book was left in their hands to be completed. There is no way anyone can know how much their work and friendship has meant.*

*I must give a special thank you to John Weston for designing our cover in a moment's notice, and to those in the News Bureau, Rick Smith, Jim Bennett, Jim Underwood and Imogene Newsom, for helping locate pictures and keep me sane.*

*This yearbook's aim is to represent Birmingham-Southern College, the students, the faculty, the administration, and the atmosphere surrounding the college. It has been a good year; good things have happened to the college. Birmingham-Southern does have a new image and it is my hope that this book has captured that image and spirit.*

*While being editor has its problems, I would not take anything for the experience. I have learned more about people, responsibility and myself than I ever thought I would. I have enjoyed it and, if I could have the help from those mentioned, I would enjoy being a yearbook editor again.*

*Olynn G. Ohrtmann*

*In a year characterized by renovation and introspection, 'Southern and its students moved forward in time. While moving, various and often opposing emotions developed with each emotion running its course, straying, intersecting, and, sometimes, halting.*

*For some, a measure of greatness is not how much one loves but how much one is loved. So it may be said that Quenette Shehane was great. Her shocking and senseless death stunned, hurt, angered, and frustrated those of us who have the deep regard for life that Quenette had. Of course, those hurt most deeply are her family and her friends and no words, no pictures, no songs can erase the pain and the tragedy itself. But it is with words, pictures, and songs that we can remember Quenette and her loving, undying spirit that so touched those around her.*

*And an astronomer said, Master, what of Time?*

*And he answered:*

*You would measure time the measureless and the immeasurable.*

*You would adjust your conduct and even direct the course of your spirit according to hours and seasons.*

*Of time you would make a stream upon whose bank you would sit and watch its flowing.*

*Yet the timeless in you is aware of life's timelessness, And knows that yesterday is but today's memory and tomorrow is today's dream.*

*And that that which sings and contemplates in you is still dwelling within the bounds of that first moment which scattered the stars into space.*

*Who among you does not feel that his power to love is boundless?*

*And yet who does not feel that very love, though boundless, encompassed within the centre of his being, and moving not from love thought to love thought, nor from love deeds to other love deeds?*

*And is not time even as love is, undivided and spaceless?*

*But if in your thought you must measure time into seasons, let each season encircle all the other seasons.*

*And let today embrace the past with remembrance and the future with longing.*

by Kahlil Gibran*
